**Re: In re LG Front Load Washing Machine Class Action  
Litigation  
Civil Action No. 08 CV 51 (FSH)(MAH)**

Dear Judge Hochberg:

As Your Honor is aware, this firm represents Defendant LG Electronics USA, Inc. in the above-referenced matter. We write at your chambers' request to explain our availability for the hearing on the parties' evidentiary motions.

On July 7, 2011, Your Honor entered an Order scheduling the hearing for September 27 and instructing the parties to bring all testifying experts to the hearing. On August 29, Plaintiffs' counsel advised us that Your Honor postponed the hearing, with a proposed revised date of October 13. Unfortunately, LG USA's main expert, who is to testify at the hearing, will be on trial in California on October 13.

To expedite the rescheduling of the hearing, we asked all three of our testifying experts to consult their schedules for available dates. They are all available on November 1 or 3. We therefore propose either of those dates to Your Honor and to Plaintiffs' counsel for consideration.

Should Your Honor have any questions or require anything further, please do not hesitate to contact the undersigned.

Respectfully submitted,

s/ Melissa Steedle Bogad
